RAIL SAFETY SECTION

Form 1

Notice of proposed minor change in crossing  
protection under 92 Illinois Administrative  
Code 1535.400(b) and (c).

ORIGINAL

Date: May 14, 2007

To the Illinois Commerce Commission:

The Union Pacific Railroad Company hereby gives notice that it proposes to make a change, designated as a minor change under 92 Illinois Administrative Code 1535.400 (b) and (c) in crossing Number (see attached list) located near (see attached list), being the crossing of (see attached list), with (see attached list). A full statement of the proposed changes are as follows:

Replacement of the existing incandescent flashing signal and gate arm lamps with light emitting diode (LED) signals and lamps at each location listed on Exhibit A. This project, in conjunction with Illinois Commerce Commission Order T07-0019 with reference to Stipulated Agreement 1223.

Union Pacific Railroad Company

By   
John Freise  
Public Project Coordinator  
(314) 331-0659

(Attach additional sheet if necessary)

Completion of this form is necessary to accomplish the statutory purpose as outlined in the Illinois Commercial Transportation Law, Section 18c-7401. This form has been approved by Forms Management Center.
